

Calabria Patisserie Serve-over Counters

A stylish and contemporary serve-over counter solution for patisserie, sandwich and fast food outlets

Calabria is an attractive and functional range of patisserie serve-over counters with an expansive food presentation area and individually illuminated 4 tier shelving.

Calabria grey

Calabria brown

Calabria birch

It features forced air cooling for a consistent food temperature. Thanks to double-glazed glass on all 4 sides, it is the perfect solution to maintain chilled food at the correct temperature, regardless of the ambient conditions.

It is available in 2 widths of 1100 and 1400 mm. Its compact size makes it ideal for small, independent retail or catering outlets that nevertheless require a generous amount of food display space.

There are 3 temperature ranges for patisserie, chocolates or ambient food displays. It is also available in 3 colour finishes to blend with almost any kind of interior décor.

- 2 display widths, 1100 and 1400 mm
- Chilled or ambient temperature versions
- 3 colour finishes: White, brown or birch
- Forced air cooling
- Double glazed on all 4 sides
- Tempered curved glass
- Digital controls
- Visual thermometer
